## International Nursing Master of Science Program

### OUR UNIVERSITY, NTUNHS

National Taipei University of Nursing and Health Sciences is well known for delivering the best degree programs in nursing and healthcare education in Taiwan and Asia.

In response to the diversity in the students' development and career planning, the School of Nursing with the best-rated PhD-level faculty in the country can address the trend and changes, and thus we have been ranked as the best in our international postgraduate nursing programs. NTUNHS offer skills and opportunities for our students to achieve excellence in research, practice and education.

### OUR SPECIAL FEATURES

Our program focuses on the students' learning goals in order to be a competent researcher and academics supported by advanced courses such as evidenced-based practice and diverse teachers and resources which are the strengths of our School of Nursing. We show enthusiasms and supportive atmosphere particularly in our student learning needs and discussion guided by teachers and staff with excellence. Many extracurricular activities such goal-oriented visits and social clubs reinforcing the students' multiple competences are designed and sustained by our university so that our students can enjoy learning holistically and attain achievements that reflect the best outcomes for their academic journey and graduation.

### SCOPE OF CURRICULUM

1. Students undertake 30 credits in minimum by studying Nursing Theory, Research Methodology, Advanced Applied Biostatistics, Health Assessment for Advanced Practice Nursing, Advanced Practice Nursing I, Advanced Practice Nursing II, Field Experience of Advanced Practice Nursing, elective courses such as Evidenced-based Healthcare Application, and Thesis.
2. Students will earn "Master of Science (major in nursing)" degree from the School of Nursing after two-year program successfully completed.
