

International Master of Science in Health Technology Degree Program

About NTUNHS

National Taipei University of Nursing and Health Sciences (NTUNHS) was established in 1954. We has the best nursing and healthcare education in Taiwan and Asia. NTUNHS cooperate with global community and provide diverse pathways for global elites. NTUNHS welcome all high achiever, we are the best choice for you.

This year, we are proud to be ranked 62nd globally, 9th in Asia, and 1st among national universities in Taiwan in the QS World University Rankings for Nursing. Moving forward, NTUNHS will continue to strive to nurture more exceptional talents in the field of healthcare and health sciences.

About College and Program

The College of Health Technology comprises five departments: Health Care Management, Information Management, Speech-Language Pathology and Audiology, Leisure Industry and Health Promotion, and Long-term Care. Our faculty integrates health care and management to reflect the core values of our university. The college aims to modernize health care management by incorporating information technology and

management knowledge to meet the demands of enterprises and society.

This program focuses on developing a comprehensive understanding of both theories and practical skills in health care management, enhancing advanced skills in health care industry research and analysis, and fostering fundamental qualities in ethics and care for the environment.
