### About NTUNHS

National Taipei University of Nursing and Health Sciences (NTUNHS) was established in 1954. We have the best nursing and healthcare education in Taiwan and Asia. NTUNHS cooperates with the global community and provides diverse pathways for global elites. NTUNHS welcomes all high achievers; we are the best choice for you.

This year, we are proud to be ranked 62<sup>nd</sup> globally, 9<sup>th</sup> in Asia, and 1<sup>st</sup> among national universities in Taiwan in the QS World University Rankings for Nursing. Moving forward, NTUNHS will continue to strive to nurture more exceptional talents in the field of healthcare and health sciences.

### About College and Program

The College of Nursing at NTUNHS consists of three departments, two graduate institutes, and four International Programs. With over 50 faculty members holding PhD degrees, NTUNHS is the only university in Taiwan that offers both academic and vocational nursing training programs. It is recognized as a leading institution in the field of professional nursing.

In response to students' diversified development and career planning needs, the School of Nursing has the best-rated PhD-level faculty in the country, and develops competency-based courses connected to the nursing practices, as well as implements objective methods for competence assessment. Our doctoral program aims to nurture healthcare talents in nursing leadership, nursing education, and nursing research.
